without producing any very sensible evacuation; not being intended to act particularly upon the bowels' but directly, and with the greatest effect, upon the Blood

I have tried every preparation used by modern Physicians, with the most distinguished and celebrated patent nostrums, now so highly extolled; as the various Panaceus, Sarsaparilla Syrups, Balsams, and Extracts; and, after repeated trials for years, in different forms of disease, I have found that this Syrup, beyond all comparison, far exceeds them all. In Chronic Inflammation of the Liver White Swelling, Necrosia, or Fever Seres, Rickets, Pistula, and King's Evil; in short, in every taint of the system or blood, from whatever cause it may arise, or however long standing, this medicine will be a pre-eminently superior article, and of the highest value in all cases for which it is recommended. Price \$1.

Sudorific Tincture or Sweating Drops.

This medicine is truly unsurpassed in fulfilling the indications for which it is given, which is generally to produce free perspiration; hence its great and pre-eminent value in severe and violent colds and coughs, fevers, inflammations, pleurisy, neuralgia, quinsy; and also in allaying pain, however acute, as in bilious cholic, rheumatism, gravel, retention of urine, painthi menstruation, &c. Compound Ulmus Poulers, for Poultices.

This Powder made into Poultices is the most efficacious of any of the various kinds recommended, and ameng all the different kinds used, I know of none which is equal to this for all inflammations, whether of the eyes, face, limbs, or other parts of the bady—for Burns, Ulcers, Sore and Inflamed Breasts, Ervaipelas or St. Anthony's Fire, Piles, White Swellings, King's Evil, or Scrofulous and Fever Sores, and Cuts, Inflamed Wounds, Carbuncles, &c. derangement of the bowels, and consequently the Piles.

Most of the remedies now in use for this dangerous and painful affection, are directed to be applied externally; they do not remove the cause of the complaint, and can therefore afford only temporary relief. Again, the disease is often beyond the reach o aid from external applications, an objection to which this remedy is not liable, it being taken internally. It is perfectly safe, pleasant to take, mild and easy in its operation, and affords immediate relief.

It is equally efficacious in curing both the Blind and Bleeding Piles. If the bowels are left costive after the use of this medicine, a little physic may be taken to regulate them. Having been trying the All Healing Ointment in some very bad cases of Piles, I hesitate not to assure the afflicted that it is a very valuable medicine, and an inestimable auxiliary to the Electuary. I consider it the best external application, have ever known. The Electuary is an internal remedy, and the Ointment as an external application, used in connexion, I doubt not would be effectual in the most obstinate cases, and must surpass in all instances any other remedies for Piles to be found. Price \$1.

DR. BROTHERS' NEUTRALIZING MIXTURE For Diarrhaa, Civiera Morbus, and Summ Complaints of Children.

Complaints of Children.

This Medicine possesses the power, in a very remarkable manner, of neutralizing the acidity of the Stomach, or removing the morbid or acrid secretions of the Liver, which are the exciting causes of cowel complaints in general. It allays sickness of the stomach, removes the pain, causes healthy evacuations from the bowels, at the same time acts as a centic astringent. Hence it will be found a very superior and valuable remedy, in both acute and chronic discusses of the bowels, in Diarrhosa, Dysentery, Cholera Morbus, and Summer Complaints of Children. In all these complaints the liver is usually more or less affected, the stomach in an irritable, and the bowels in an inflamed condition. This medicine is most offictual in relieving all these organs, restoring their tone and natural functions. Among all the numerous remedies for these discasses, some of which are strongly recommended, this has proved itself, in every instance, to be the best, the surest, safest, and most effective of all. I do not think its equal can be found for children when teething, or as a remedy for bowel complaints. Price 50 cents.

27 All my medicines are put up under my own personal supervision, and the public are assured that they are prepared of the best imported vegetable ingredients, and can be obtained only at our office, No. 179 South B street, opposite Smithsonian Institution, where they have done a large and successful practice for the last six years, in the treatment of all Chronic Diseases, and those diseases produced by the Old School Mineral Physicians, by the indiscriminate use of Mercury, Arsenic, Autimony, &c. Happily for suffering humanity, their practice is so manifestly injurious, that it is now gradually on the wane, and must in a few years sink into oblivion.

Organic Weakness,

In meditately cured and full vigor restored.

This dreadful disease is the penalty most frequently paid by those who have become the victims of improper indulgencies. Young persons are too apt to commit excesses, not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost scener by those falling into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, nervous debility dyspeysia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption, to.

Dr. Johnston,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the inost-astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nerrousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A Certain Disease.

great nervousness, being aiarmed at sudden sounds, and bushfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A Certain Disease.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to these who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their apperance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimeas of sight, dealness, nodes on the shin bones and arms, blotches on the head, face, and extremities, progressing with frightful rapidity, till, at last, the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commisseration, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy; and, from his extensive practice in the first hospitals in Europe and America, he can contidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fan vicinnate to this dreadful complaint, owing to the unskirminess of ignorant pretenders, who, by the use of that deadly police, mercury, ruin the constitution, and either send the unfortunate sufferer to an unimety grave, or else make the residue of life miserable.

Take Particular Notice.

Dr. J., addresses all those who have injured themselves by private and improper indulgences.

There are some of the sad and melancholy effects produced by the early habits of youth, viz:

Weatness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpintion of the Heart, Dyspepsia, Nervous irritability, Derangement of the Digestive Functions, General Deb

The searful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, and enacasted, have a singular appearance about the eyes, cough and symptoms of Consumption.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health-Dr. Johnston's Invigorating Remedy, for Organic Weakness.

By this great and important remedy, Weakness of the Organic are speedily cured, and full, vigor restored.

Thousands of the most nervous and debilitated, whe had lost all hope, have been limmediately relieved. All impediments to Marriage, Physical, of Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or Exhaustion of the most tearful kin I, speedily cured by Dr. Johnston.

Young Men

Who have injured themselves by a certain practice indulged in when alone—a habit free antity learned from cvil companions, or at school, the effects of which are nightly felt, even when asleep, and it not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments or nee, by the consequences of deviating from the pata of nature, and indulging in a certain secret habit. Such person 1, before contemplating

Should reflect that a sound mind and body are the most a ceasary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the meiancholy reflection, that the happiness of another becomes blighted with our own.

TESTIMONY FitOM NORTH CAROLINA.

Certificate of Dr. W. Smith, of Pins Hill, Rich mond County, North Carolina.

Pins Hill, March 4, 1854.

Dam Sir: I have been a subject of Dyspepsis, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While is this condition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Rutherfordton, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been syspeptic, and had been greatly benefited by the use of "Hoofand's German Bitters," prepared by yeu, and he insisted that I would try the Bitters. He also called the next day at my room, and insisted so much that I would try them that I seked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (he a dyspeptic,) and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, but I have not been able to get any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

Respectfully, yours.

W. SMITH.
